## Introduction to Furtwangen University of Applied Sciences

Furtwangen University (known by its German acronym "HFU") focuses on applied learning and research in **mechanical engineering, information and media sciences, business and health sciences** — and has been ranked among Germany's top universities in a number of these fields by major national publications and surveys conducted amongst students and employers.

With about **6,600 students**, the academic community is large enough to enjoy modern laboratories, a highly modern IT infrastructure, and one of Germany's best science libraries, yet small enough to maintain a personal touch. Small class sizes, regular personal contact with the teaching staff, and an excellent learning environment help guarantee good results and a positive experience.

Students and staff also benefit from the large international population on campus, as well as the natural beauty of the surrounding regions, including Germany's renowned **Black Forest**. The enormous range of activities on campus includes over 30 different sports, from skiing and climbing to tennis and mountain biking.

Students generally earn a bachelor's degree within seven semesters, including a semester-long work placement and thesis. In addition, students gain experience through team-oriented project work, or during a study semester abroad at one of our more than **140 foreign partner universities worldwide**.

Master degree programmes at HFU usually take three semesters to complete.

## Campus Locations

- **Furtwangen** is the location of the original campus, in the heart of the Black Forest.
- **Villingen-Schwenningen** is a twin town, 30 km east of Furtwangen. The campus is located in Schwenningen.
- **Tuttlingen** is located 30 km south-east of Villingen-Schwenningen. It hosts the newest campus which is co-funded from industry.

<b>Insurance</b>	
Health Insurance:	Non-EU students must take out a German statutory health insurance (cost around 80 Euro per month) or get an exemption letter issued by a German statutory health insurance company if they have a private insurance that covers medical treatment in Germany. We strongly recommend that students take out a travel insurance for their flight and the first days in Germany before enrolment. EU students must bring their EHIC (European Health Insurance Card).
Accident and Liability Insurance:	We strongly recommend students to take out accident and liability insurance.
<b>Visa Information</b>	
Non-EU students must apply for a visa in their resident country. Students from certain Non-EU countries can enter Germany without a visa (please check the websites of the German embassy in your home country for details) and apply for a residence permit after their arrival in Germany.	
<b>Services for International Students</b>	
Pick-up Service	The International Center offers a pick-up-service for exchange students from partner universities. Master students should contact their respective programme coordinator.
Buddy Programme	The International Center runs a Buddy Programme which arranges contact between German students and new exchange students. Before arrival, every exchange student can contact his/her buddy by email. A buddy is a German student who helps new international students to get to know what everyday life at university is like, especially at the semester start. Everyone knows how important the first impressions of a new town or a new country can be and how nice it is to have someone you already know when you arrive.
Orientation Programme and German Seminar	Two weeks prior to the beginning of classes, the International Center runs an orientation programme during which students are provided with important information regarding their stay in Germany. They receive information and support in administrative matters (residence registration, enrolment, immigration etc.). Sightseeing trips are also organised to destinations close by. A two week intensive course in the German language (for beginners at or below B1 level) is part of the orientation programme. For successful completion of this program students get 3 ECTS.
Trips and Events	The International Center and the International Student Community (ISC) organise a number of trips and events throughout the year: a 3-day trip to Berlin, day trips to Heidelberg, Konstanz, Freiburg, Stuttgart and other places, opera visits, company visits, cross-country skiing, hiking tours, an international festival, movie nights, country presentations, cottage weekend...
